The System.....

CAREER SATISFACTION

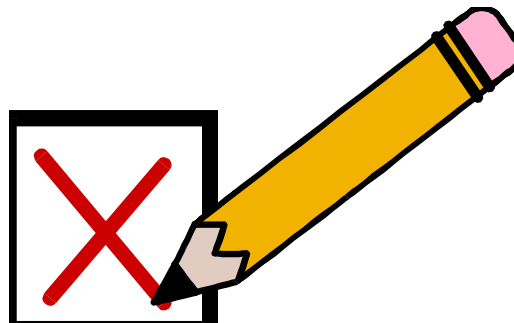

- ◆ I have assessed my high school educational foundation and have a plan of action as to how to build upon this foundation.
- ◆ I understand my interests, abilities, personality traits, and values and can apply them to appropriate career fields.
- ◆ I have researched the career field, which matches my interests, abilities, personality traits and values and I am satisfied (comfortable) with my career choice.
- ◆ I have shadowed one or more individuals in the career field of interest and feel confident that this is one of my career opportunities.
- ◆ I have researched my post-secondary educational options and am satisfied with the plan of action I will pursue.

CAREER SATISFACTION

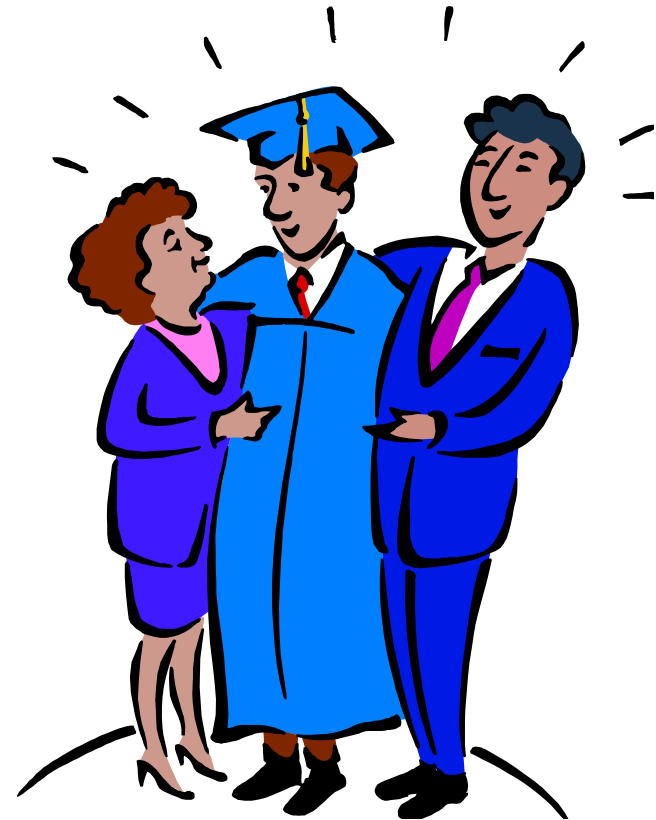

- ◆ I have equipped my self with the appropriate employment tools necessary to obtain future employment.
- ◆ I have researched Long Island corporations and have been able to identify future corporate contacts.
- ◆ I will no longer have to answer the question “What will you do after graduation?” with the answer “I don’t know.”
- ◆ I would recommend this course to another student.

Parents As Partners

- ◆ **Dinner table discussion topics.**
- ◆ **Feedback from parents to assist in making career decisions for child.**
- ◆ **Promotion of course.**

CAREER DESTINATION:

- ◆ By age 23 I would like to be a(job title):
- ◆ This job title can be found in the(career cluster):
- ◆ The industry I wish to perform this job is:
